

**Terrace Water Company**  
**DWR Water-Energy Grant Application**  
**Attachment 1 – Urban Water Management Compliance**

Terrace Water Company (TWC) is not defined as an Urban Water Supplier. TWC supplies potable water to less than 3,000 customers (approximately 2,200 customers) and supplies less than 3,000 acre-feet of water annually.

No other urban water suppliers will receive funds from the proposed grant.
